

Polaris PVC

Lifetime Limited Warranty

About Polaris PVC

POLARIS PVC brand fencing is manufactured with a high content (10 parts per 100 parts) of TiO₂ (titanium dioxide) and ultraviolet inhibitors with 100% virgin vinyl throughout for years of maintenance-free performance.

Warranty Period

The lifetime coverage offered by this limited warranty is designed to cover original individual homeowners. (30 years for a Commercial Purchaser). The lifetime coverage offered by this limited warranty automatically ends upon the sale of the property or the death of the last of the original owners of the property at the time of installation.

What Is Covered

Amco Fencing And Deck Supplies Inc. warrants to homeowner/purchaser that the PVC components will be free from manufacturing defects — including peeling, flaking, blistering, corroding — when subject to normal and proper use. Should any manufacturing defect occur, Amco Fencing And Deck Supplies Inc. will provide replacement components free of charge to the original homeowner/purchaser. Amco Fencing And Deck Supplies Inc. reserve the right to refund the amount to the original purchaser/homeowner. Amco Fencing And Deck Supplies Inc is not to be liable or responsible for labor charges or other expenses arising from or related to the installation or removal of either the original or replacement products.

Warranty Exclusions

Amco Fencing And Deck Supplies Inc. will not warrant against failure of, or damage to such products resulting from faulty or improper installation, handling, and storage, settlement of the surface or structure on which the products are installed. Failure of the structure (including foundations and walls), accidental damage, or negligence, intentional acts of damage, fire, wind, flood, lightning or other acts of God, misuse, abuse, improper or failure to provide reasonable and necessary care of the product, exposure to harmful chemicals, vapors or acid rain, surface discoloration due to atmosphere pollutions. Distortion due to exposure to heat sources, including but not limited to building or pavement heat build-up, outdoor grills, and reflected sunlight from windows, doors, or other surfaces. Color change due to normal weathering, which is defined as exposure to sunlight and extremes of weather and atmosphere that will cause any colored surface to gradually fade, chalk, or accumulate dirt or stains. When sunlight is partially blocked by a roof, trees, awnings or the like, uneven weathering may occur. Amco Fencing And Deck Supplies Inc. shall have sole discretion to determine, based on reasonable criteria, whether the products are undergoing normal weathering.
